Peter,

Rep. Coggs would like two separate amendments.

One deals with equalization aid as described in the attached amendment offered in JFC during budget deliberations. He's considering using this on either or both AB 259 or AB 472.

Also, he would like an amendment to AB 259 that sets the MPCP limit at no more than 20%.

Thanks for your assistance and don't hesitate to call with any questions or concerns.
